

EDUCATION:

PhD Statistics & Machine Learning, University of Oxford <i>Jesus College (Starting October 2026)</i>	[2026–2030]
MSc Artificial Intelligence, Imperial College <i>Salter's Fellowship Scholar</i> • Relevant Modules: Information Theory, Probabilistic Inference, Non-Euclidean ML, Deep Learning • Group SWE Project: LLM Uncertainty, Robustness & Security with OLMo (see here)	[2025–2026]
BA (Hons) Natural Sciences, University of Cambridge <i>Girton College</i> • Grade: 1st Class, ranking 14th in cohort of 129 • Relevant Modules: Statistical Physics, Electrodynamics, General Relativity, Soft Matter Physics • Courseworks: Dynamics in Complex Fluids, Phase Locked Loops, Physics Informed Neural Networks • Activities: member of both the Odyssey Fellowship and Cambridge AI Safety Hub Fellowship	[2022–2025]
City of London School <i>Academic Scholar</i> • A-Levels: (all A*) Physics (top of year), Chemistry, Mathematics, Further Mathematics	[2015–2022]

EXPERIENCE:

Prelego.ai Research Intern <i>MSc Thesis, supervised by Prof. Pedro Mediano (Starting May 2026)</i>	[2026]
Meta Software Engineering Summer Intern <i>WhatsApp Team</i> • Fullstack iOS developer working on saved content in WhatsApp • Learned C, Objective-C, Swift and Sapling (source control system similar to Git)	[2025]
Research Intern, University of Cambridge <i>ARIA funded lab, Biochemistry Department</i> • Built Raspberry Pi operated bioreactors to study organism growth dynamics • Wrote Python library to operate the reactors (see here) • Learned about Koopman operator theory & Dynamic Mode Decomposition	[2024]
Zero Gravity (charity) Volunteer • Mentored and tutored an A-Level student applying to Natural Sciences (Cambridge)	[2024]
Athena Tuition Tutor • Tutored students aged 11-16 in Physics, Maths & Chemistry for 11+, 13+ and As Level exams	[2022]

ACHIEVEMENTS:

Salter's Fellowship Scholarship <i>Imperial College Dept. of Computing & Worshipful Company of Salters (£10,000)</i>	[2025]
Mary Sparke Academic Scholarship <i>Girton College, Cambridge (awarded after Final Year exams, £400)</i>	[2025]
Alice Violet Jenkinson Academic Scholarship <i>Girton College, Cambridge (awarded after 2nd Year exams, £400)</i>	[2024]
Angela Dunn Gardner Academic Scholarship <i>Girton College, Cambridge (awarded after 1st Year exams, £400)</i>	[2023]
City of London School Scholar's Prize <i>For excellence in A-Levels & GCSEs</i>	[2020–2022]

TECHNICAL SKILLS:

Languages & Libraries: Python, C, HTML, PyTorch

Developer Tools: Git, GitHub, WandB, Linux

MISC:

Hobbies: Calisthenics, Electric Guitar

Languages: *Native:* English, Italian; *Intermediate:* Spanish, French
